Morgan & Morgan Firm Description and Qualification

Morgan & Morgan is a leading civil trial law firm representing consumers and commercial clients nationwide. With over 500 lawyers, and more than 2,000 non-lawyer employees, Morgan & Morgan is the largest plaintiffs' firm in the state of Florida and one of the largest if not the largest in the nation. Morgan & Morgan maintains over 50 offices in multiple states including Alabama, Arkansas, California, Florida, Georgia, Indiana, Illinois, Kentucky, Massachusetts, Michigan, Mississippi, New York, Pennsylvania, and Tennessee. Among its lawyers are a former Cabinet member of President Clinton's administration, a former United States Congressman, a former state attorney general and present and former members of state legislatures.

Morgan & Morgan has a dedicated Complex Litigation Group staffed with lawyers, paralegals, and retired FBI agents serving as investigators committed to representing consumers in complex litigation, MDL proceedings and class action cases throughout the country. It has achieved many remarkable results in class litigation, including the settlement of *In re Black Farmers Discrimination Litigation*, no. 08-0511 (D.C. Oct. 27, 2017), where one of its partners served as co-lead. The case resulted in a settlement with the United States Government in the amount of \$1.2 billion for African American farmers who had been systematically discriminated against on the basis of race, in violation of the Fifth Amendment to the United States Constitution, the Equal Credit Opportunity Act, Title VI of the Civil Rights Act, and the Administrative Procedure Act. Morgan & Morgan has assembled a talented team of lawyers:

Mr. Yanchunis leads the class action section of the law firm. His practice—which began after completing a two-year clerkship with United States District Judge Carl O. Bue, Jr., S. D. Tex.—has concentrated on complex litigation and spans over 35 years, including consumer class actions for more than two-thirds of that time. As a result of his extensive experience in privacy and data-breach litigation, he regularly lectures at seminars regarding privacy litigation.

Alongside his experience in the area of privacy, he also served as lead, co-lead, and class counsel in numerous national class actions, including multi-district litigation, involving a wide range of subjects affecting consumers, including antitrust, defective products, life insurance, annuities, and deceptive and unfair acts and practices.

As a result of his experience in insurance and complex litigation, beginning in 2005, he was selected by Tom Gallagher, the Chief Financial Officer for the state of Florida and a member of the Florida Cabinet, to serve as lead counsel for the Florida Department of Financial Services and the Florida Department of Insurance Regulation (the insurance regulators of Florida) in their investigations of the insurance industry on issues concerning possible antitrust activity and other possible unlawful activities regarding the payment of undisclosed compensation to insurance brokers. He served as lead regulator counsel and worked with a core group of state Attorneys General from the National Association of Attorneys General, which were selected to conduct the investigations. The insurance regulator for Florida was the only insurance regulator in the group. The litigation that was filed and the related investigations netted millions of dollars in restitution for Florida consumers and resulted in significant changes in the way commercial insurance is sold in Florida and across the country.

During his career, he has tried numerous cases in state and federal courts, including one of the largest and longest insurance coverage cases in U.S. history, which was filed in 1991 by the Celotex Corporation and its subsidiary, Carey Canada, Inc. During the seventeen years the case pended, he served as lead counsel for several insurance companies, regarding coverage for asbestos and environmental claims. The case was tried in three phases over several years beginning in 1992. He was also lead counsel for these parties in the subsequent appeals that followed a judgment in favor of his clients.

As result of his experience in the area of class litigation and ethics, he has served as an expert for The Florida Bar on ethical issues arising in class action litigation.

While at the University of Florida Mr. Yanchunis was a member of Florida Blue Key and Omicron Delta Kappa. He received his Juris Doctor degree from the South Texas College of Law in 1980, where he graduated magna cum laude.
